

NEW LEAGUE PROPOSED FOR MONDAY EVENINGS

As a result of low registration numbers for the Monday Evening Ladies League (13 entries), the league has been cancelled. It's time to try something different.

The proposed league is an **Open Team Entry League** which will consist of teams of any 4 players regardless of gender entered as a team. 8 ends of play.

The limit will be 8 teams with priority given to the ladies who signed up for the Monday Ladies Night.

Since time is of the essence please contact Steve Robson at 705 286-4724 or email at srobson63@bell.net with your team entry on or before Friday October 5th.

Play will begin on Monday Evening October 15th.
