It's time to register for 2017-8 curling.

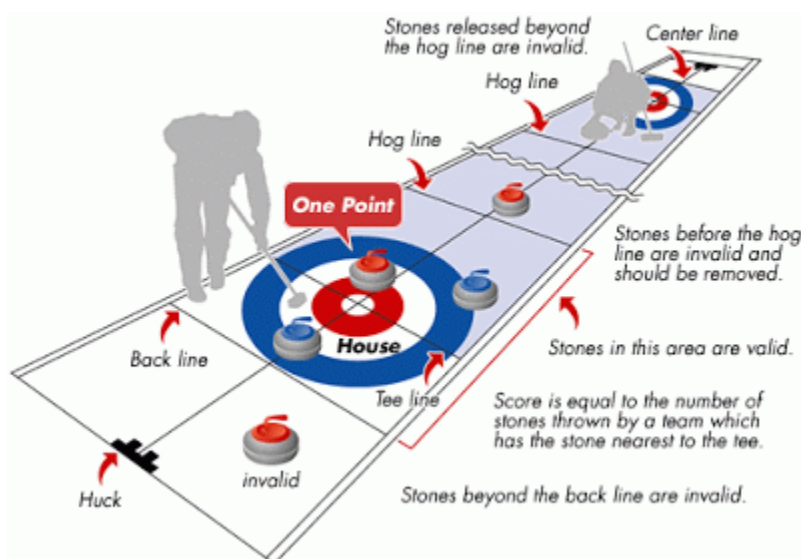

Over the summer Dave Tranter and his team of volunteers were busy at the club replacing boards & pipes and painting. Gord Sheehan, Danny Butorac, Dave Tranter & Steve Robson submitted a New Horizons grant application to replace our lights with energy saving units. The budget was set. The low increase in curling fees reflects the successful dance and garage sale income.

League curling begins Tuesday October 10th. But before this, there is Fall Fun Golf on Sept. 13th (Dave Millington 705 286-1320) Community Open House & Registration Day and Curling Clinics.

[Click here for the 2017-8 MCC Curling Registration Form](#)

Please pass along this Registration Form to any people you know who might be interested in curling at our club. Mention our new member deal: half season, one league, \$99 per person and free curling clinics including free Sunday curling.

What is wrong in the diagram below?

Sorry, no prize, just wanted to be sure you got to the end.
